

JUNIOR LEAGUE OF WICHITA
Women building better communities®

Dear Agency Representative,

Junior League of Wichita is proud to present a new volunteering opportunity which partners our trained Junior League volunteers with local non-profit organizations. We are currently finishing our first year of this program and are pleased to announce that we have provided thirteen non-profit organizations with numerous trained volunteer hours.

Here is how the program works. Junior League of Wichita is currently accepting applications for new non-profit community partners. Out of the applications received, Junior League of Wichita will select 10-12 non-profit organizations for a one year commitment (July 2010 to June 2011). During this year long commitment, Junior League members select which community partner(s) they would like to volunteer for. Members can volunteer for as many community partners as they wish as many times as they wish. This does not mean that Junior League of Wichita will be able to fulfill all volunteering needs of every community partner but we strive to assist all of our partners to the greatest extent possible.

Junior League volunteers will assist the community partners in the day-to-day operations of their organizations and with any special events that occur. This past year, Junior League volunteers spent time performing general office tasks, donating blood, organizing food pantries and clothes closets, building homes, serving meals and assisting laid-off workers. Junior League members do it all!

Applying is easy, simply complete the attached application and submit it to Valarie Florio, Project Development Chair for Junior League of Wichita on or before Monday, April 5, 2010. After April 5, Junior League of Wichita will select 10-12 non-profit community partners. Those organizations that are selected will be notified in late April 2010 and volunteers will begin signing up in July 2010.

Junior League of Wichita is excited to provide this opportunity to the Wichita community and encourage all non-profit organizations to submit an application. Please contact Valarie Florio at 316-684-6531, ext 529 or by email at valarieflorio@sbcglobal.net with any questions.

Sincerely,

Valarie A. Florio
JLW Project Development Chair 2009-10
